

# (Emergency) Information on Application for Those Wishing to Vaccinate Dormitory Students Against the COVID-19

Due to the recent confirmed Covid-19 cases near universities, Daegu Metropolitan City is preferentially promoting the vaccination of only Kyungpook National University dormitory students. Dormitory students wishing to be vaccinated should refer to the following and apply within the applicable period.

※ It is subject to change depending on the Ministry of Public Administration and Security, the Korea Centers for Disease Control and Prevention, and vaccination status.

## 1. Eligibility: 2021 Kyungpook National University Daegu Campus Dormitory Students

## 2. Vaccination application

A. Application period: 2021. 7. 23. (Fri) ~ 2021. 7. 26. (Mon) 18:00

※ The application period cannot be extended!

B. How to apply: Fill out the [Google form](#) and submit the 'Vaccination and Personal Information Use Agreement'

- Google form application address: <https://forms.gle/o5YC31GHYDwdk7Ux8>

- When filling out the application form, the 13-digit foreigner registration number must be accurately entered.

- After signing the vaccination and personal information use agreement (check the attached file), a scanned copy must be attached to the Google Form application. (Jpg Files taken with a phone are not allowed.)

- When uploading a file, file names must be specified in the order of the dormitory, student number and name. (Example 1: Nuri-gwan 2021000000 Hong Gil-dong, Example 2: To be applied 2021000000 Hong Gil-dong)

- When moving into the dormitory for the Fall semester (by August 31), you must submit the original copy of the consent form for vaccination and personal information use.

- It is not possible to edit the file after submitting the application, so please fill it out carefully before submitting.

## 3. Advance reservation

A. Reservation period: 2021. 8. 4. (Wed) ~ 2021. 8. 6. (Fri) (planned)

B. Reservation method: Connect to the 'COVID-19 vaccination advance reservation system' (<https://ncvr.kdca.go.kr/>) and make a reservation.

C. Vaccination location: Daegu Vaccination Center

※ Location cannot be changed outside of Daegu Metropolitan City

## 4. Vaccine Type: Pfizer

## 5. Notice

A. Applicable only to students in the KNU dormitory of the Daegu Campus for 2021 (including those planning to move in for the Fall semester)

B. Even if your address is not in Daegu Metropolitan City, you can apply if you are a dormitory student.

C. If you do not apply within the application period, you will not be able to receive vaccinations.

D. After applying for vaccination, you must make a reservation in advance within the reservation period.

E. Advance reservations and vaccination schedules are subject to change depending on the Ministry of Public Administration and Security, the Korea Centers for Disease Control and Prevention, and vaccination status.
